Pop Shaffer's band of ball-tossers clearly demonstrated, before a goodly crowd of fans, that the Colt manager had not erred in releasing one young man—Derby—recently, by pouncing on that worthy for a total of seven hits and five runs in the first two innings of play with the Lynchburg Champions at Broad Street Park yesterday afternoon. The final score was Richmond, 11, and Lynchburg, 2, and the result fully describes the enthusiastic manner in which the winners, though badly broken up because of injuries to several of the players, hung the sign on the visitors.

Despite the routiness of the margin by which the locals won, it was a good game throughout. Mike Cassiday was the hitting line for the home team, and deserves much credit for his work. True, the team was behind him and working well all times, as the fielding and batting columns show, but it was Mike's elusive and ball that was materially responsible for the absence of a larger figure in Lynchburg's run column.

Kirkpatrick, Shaffer's pride, caused much was to percolate through the grandstand by receiving a terrific screamer off Haas's bat in the first, which tore the nail from his ungloved thumb and threw the thumb out of joint, and causing him to retire in favor of Cowan.

Tony Bonero and Shenandoah Neck-and-Neck in Killing Finish.

SECOND OF THE SEASON

Sir Lynnewood Is First in New Rochelle Handicap Event—Sir Todington Wins Again.

NEW YORK, May 17.—The second dead heat of the season was run at Belmont Park today by Tony Bonero and Shenandoah. The respective trainers decided against a run-off and split the purse. It was nip and tuck between the two horses most of the way round the mile and a sixteenth. Like Trojans, Musgrave and Dugan worked on their mounts in an endeavor to get the decision, but all to no avail, for the judges were unable to separate them at the finish. Summary:

First race—six furlongs, main course, Sir Todington (8 to 5) first, Prince Hamburg (10 to 1) second, King's Daughter (7 to 1) third. Time, 1:13 1-5. Second race—five furlongs, straight—Thermidor (7 to 2) first, King Cobalt (3 to 5) second, Live Wire (12 to 1) third. Time, 1:01 2-5. Third race—four and a half furlongs, straight—Crack Shot (5 to 1) first, Saunter (7 to 5) second, Pelph (6 to 1) third. Time, 1:04. Fourth race—the New Rochelle Handicap, seven and a half furlongs—Sir Lynnewood (7 to 1) first, Oxford (7 to 1) second, J. C. Core (9 to 1) third. Time, 1:33 3-5. Fifth race—selling, one mile and a sixteenth—Shenandoah (6 to 5) first, Tony Bonero (4 to 5) dead heat, Black Male (5 to 1) third. Time, 1:49. Sixth race—mile—Don Croole (2 to 1) first, Eusebio (6 to 1) second, Linnepe (5 to 1) third. Time, 1:41 4-5.

ACADEMY MEET A BIG SUCCESS

Youngsters Show Up Well in Different Field and Track Events.

WILL BE ANNUAL AFFAIR

Winners Are Presented With Ribbons—Reception Tendered Athletes After Games.

The track meet held at the Richmond Academy yesterday was a decided success. No startling records were made, but the pluck and grit with which the youngsters went into the affair showed they have the making of athletes in them.

Promptly at 3 o'clock the first event was run, and throughout the program there was not a hitch. None of the competitors had much time in which to train, but the showing they made was gratifying. A fair-sized crowd witnessed the exercises, and enthusiasm ran high on several occasions when the competition was close. The meet was something of an experiment, but the success with which it was pulled off now insures the permanent establishment of such a meet as an annual occurrence.

The order of events for small boys and the name of winner of first place follow:

Fifty-yard dash—Won by R. Gooch; time, 8 seconds; Witt and Perkins, second and third.

Standing broad jump—R. Gooch; time, 1:33 3-5.

Relay race—won by Captain Witt's team.

Company A won from Company B by score of thirty-three points to twenty.

Names of winners and time in senior events follow:

Fifty-yard dash—Won by Thomas; time, 6 seconds; Williams and Wisman, second and third.

100-yard dash—Won by Thomas; time, 12 seconds; Williams and Smith, second and third.

Standing broad jump—Won by Thomas, 9 feet; White and Wisman, second and third.

Running broad jump—Won by Williams, 17 feet; Quarles and Thomas, second and third.

Relay race—won by Williams; Smith and Gwathney, second and third.

Running high jump—Won by Smith, 4 feet 11 inches; Thomas and Gwathney, second and third.

Pole vault—Won by Williams, 7 feet 6 inches; Wisman and Quarles, second and third.

Relay race—won by Captain Williams' team. Time, 1:50, 120 yards each man.

The relay between the Covenanter School and the midket team from the academy was won by the latter. Two of the Covenanter team fell on the first turn, giving the race to the academy. With a good quarter of a lap between them and the academy, the plucky Little Covenanters continued to run with bulldog determination, gaining over half the distance at the finish over the academy.

Shelton having been given the most successful season ever played by the White and Blue. The winners' only run was the result of a base on balls, followed by a pretty double in the fifth.

Score by innings:

R.	1	2	3	4	5	6	7	8	9	10	11	12
Richmond	0	0	0	0	0	0	0	0	0	0	0	0
Norfolk	0	0	0	0	0	0	0	0	0	0	0	0

Happy Outing of Custis Fishing and Hunting Club at Sweet Hall.

The Custis Fishing and Hunting Club of Richmond, tendered to the members and a few invited guests an "old-fashioned fish-fry and barbecue" on the grounds of the club yesterday.

STORY IS DENIED

Both Yale and Harvard Claim that no Freshmen Will Compete Abroad.

CAMBRIDGE, MASS., May 17.—The report that Harvard and Yale are recruiting freshmen athletes for the international track games next summer was refuted today by both colleges. Whether the present class of freshmen will be allowed to compete at all or not is even still an open question.

NEW HAVEN, CONN., May 17.—The story Harvard and Yale are recruiting athletes as freshmen for the Oxford-Cambridge meet was ridiculed at Yale by the athletic authorities. The Yale athletic leaders scouted the idea that any but legitimately-eligible athletes would be entered in any such contest. Such action would be regarded as beneath the dignity of either American college, and was considered too trivial a charge to be worth an official denial. It has been decided by Yale and Harvard that freshmen will not be permitted to compete in the contest with the Englishmen.

DONLIN IS LOYAL.

Declares Giants His True Love—Will Play With No Other.

CHICAGO, ILL., May 17.—Mike Donlin, recently a member of the New York Giants and now assistant manager of the Whitney Opera House in this city, last night emphatically denied the report that he was going to petition the national commission for his release from the Gotham team. He is apparently satisfied with his present berth and gets a taste of the national game playing with Calhoun's Logan Squares.

Brownies Victorious.

[Special to The Times-Dispatch.]

PETERSBURG, VA., May 17.—The Richmond Brownies won from Petersburg this afternoon 8 to 2, making no earned runs, but scoring on errors. The work of Brook's, Petersburg's pitcher, was the feature. He allowed only three hits, gave two walks, struck out ten men and made thirteen assists.

Batteries: Craddock, Garnet and Owen for C. S. A.; Bradshaw and Clayton for Roxboro.

SKATING RINK PLEASES.

New Set of Pictures to be Shown. Suite is Re-engaged.

Two good racing numbers are scheduled for the Skating Rink to-night, in which some of the fastest skaters among the many local racers will be pitted against each other. One of the contests will be for seniors and the other for juniors.

A new series of pictures are to be shown at the Rink all next week, and local rink patrons will have another opportunity to see a good show. The new series will be "The Girl and the Lion" and "Miss Lulu Daniels," his pretty little companion, in their fancy and trick roller skating exhibition that has aroused a great deal of interest. JEFF WILL MEET WILLIAM SQUIRES

Alfalfa Baron, However, Makes Reservation—Will Train for Three Months.

And the Australian Must Beat Tommy Before the Champion Will Sign Articles.

REFUSES TO FIGHT BURNS

SAN FRANCISCO, May 17.—Jim Jeffries is squarely on record to the effect that he will box Australian Bill Squires if the latter defeats Tommy Burns, but at the same time the alfalfa baron makes a reservation.

He said that he would undergo at least three months of trial training before he signed up with Squires, and that if he discovered it was impossible to bring himself to the proper notch in the matter of condition, he would allow Squires to sail away unchallenged.

This much came out in a conversation the writer had with Jeffries.

"Mind, you," said Jeff, "I don't expect to discover any weak spots when I begin work. I feel right now as well as I felt at any time in my busy years when not in actual training. I might go further and say I am confident I will get back to my old form, but I want to be thoroughly sure about it. And right here let me say once more that if Burns wins from Squires there will be nothing doing in the way of a Jeffries-Burns fight."

Jeff returns to Los Angeles, but will go to Frisco again a week or two before July 4, and will visit both Squires and Tommy Burns at their training quarters.

"I want to have a thorough understanding as to the way they are to fight," said Jeff. "I don't believe in leaving these things until the men enter the ring."

The postponement of the date of the Squires-Burns contest from May 30 to July 4 has caused Tommy Burns to delay his departure from Los Angeles. He will leave there, however, Saturday, and will post his \$5,000 bet with Squires immediately on arrival.

SQUIRES IS INJURED.

Strains Tendon in Foot—No Offer for Fight With Burns.

SAN FRANCISCO, CAL., May 18.—As a result of the strenuous manner in which Squires went after his work skipping the rope, he strained the Achilles tendon of his right foot, and after coming in from the road work the strain had become so bad that it was deemed best that he take to his bed. This strain is one of rather long standing, as about two years ago, while tramping over some rather rough country, Squires jumped from a high rock. At the time he had on heavy tramping boots that were too large for him, and his heel was badly bruised, which since has required rather careful nursing. As Squires skipped the rope some two thousand four hundred times the strain proved too much, and consequently much of his time is spent alternating between a tub of hot water and his bed. Squires does not anticipate being laid up long, and when he gets back in harness he will take it much easier.

When asked about the report that Jimmy Coffroth had made, or would make, in the near future, a definite offer for a battle between Squires and Burns, Squires' manager said: "All that port about our receiving an offer from Coffroth is poppycock, pure and simple. In the first place, I was in the city when Coffroth was at the camp, and so could not have talked with him on that proposition. In the second place, we arrived Coffroth asked me if I would be willing to go on with Burns some time in May. I told him it would take at least six or seven weeks for Squires to become acclimated, and that we would rather wait until he was making matches. Since then I have not seen Coffroth to have a talk with him, so the matter still stands as it did at that time."
